

The Graceful Connection

March 2024

Latest News from the The Landon at Lake Highlands Newsletter

March is a month full of promise and possibility with Spring just on the horizon on March 19th!

We also will see longer days in March as we Spring-Forward on March 10th - so don't forget to set those clocks ahead one hour and celebrate a later sunset!

March is also National Reading Month in honor of Dr. Seuss's birthday. To honor the influential author, find something to read a bit of each day, host a book club, have a book drive for a local library, or volunteer to help kids practice their reading skills! We also have another important celebration to honor this month, International Women's Day, on March 8th.

This celebration has been around since 1857 and the theme this year is "Together We Thrive". This is a day to celebrate the accomplishments of the women in our communities and honor their contributions.

Check with your Life Enrichment team to see what opportunities there are to participate in International Women's Day in your community!

Grace Signature Events
