

The Graceful Connection

April 2024

Latest News from the The Landon at Lake Highlands Newsletter

April is a month of fresh starts and bright beginnings as Spring has sprung!

As we soak up that early sunshine, there is so much we can do this month from getting in the garden, learning about poetry and jazz, or giving back to the community.

This month we have two important Featured Celebrations - National Volunteer Month and Earth Day on April 22nd. We hope to honor the volunteers who give their time and talent to us here at the community by sharing our thanks and appreciation. Similarly, we also want to renew our Graceful Giving opportunities for our residents and families to have a chance to volunteer their time and talent to worthy community-wide causes.

If you have a worthy cause to share, please see your Life Enrichment Director! Earth Day is celebrated on April 22nd and has been honored for over 50 years now to remind us to care for and conserve our planet. This year's theme is Plant vs. Plastics to bring attention to the health risks of plastic pollution to our planet and us! Learn from your Life Enrichment team about how you can observe Earth Day here in the community.
