

The Graceful Connection

January 2025

Latest News from the The Landon at Lake Highlands Newsletter

What better way to start the year than with a big dose of inspiration, imagination, and connection?

January is International Creativity Month, and we're ready to jump into all kinds of fun activities—whether it's getting hands-on with crafts, trying out a new game, or letting your imagination run wild. Mid-month, we'll turn the spotlight on our incredible team during National Activity Professionals' Week (January 21-27).

These unsung heroes keep our days filled with joy and engagement, so we'll be celebrating them with lots of love and gratitude. To cap it all off, Inspire Your Heart With Art Day (January 31) invites us to slow down and enjoy the beauty of art through painting, music, storytelling, and other creative outlets that lift the spirit. Let's kick off 2025 with plenty of laughter, connection, and moments that make this community truly special!
